

Come along to an Open House and view the SMBI ferry terminals' preliminary designs

The Department of Transport and Main Roads and Redland City Council are working in partnership to deliver the upgrade of the Russell, Macleay, Lamb and Karragarra Island ferry terminals.

In September 2019, we asked for community feedback about the concept designs for these terminals and have incorporated your suggestions into the preliminary designs, where possible.

As the Department of Transport and Main Roads and Redland City Council negotiate a Deed of Agreement for the upgrade of the four island jetties, the completion of the preliminary designs is another step forward in the project coming closer to fruition.

You will be able to view these preliminary designs and provide your feedback at one of our Open Houses in November 2019.

November Open Houses - Key dates

Come along to an Open House to see how the islands' ferry terminals are being upgraded and provide your feedback:

- **Mainland Redlands Coast Open House - Thursday 14 November 2019** at the Victoria Point Shopping Centre, 2-34 Bunker Road, Victoria Point, from 5:00pm until 9:00pm
- **Russell Island Open House - Saturday 16 November 2019** at the Russell Island Recreation Hall, 1 Alison Crescent, Russell Island, from 2:30pm until 5:30pm
- **Macleay Island Open House - Sunday 17 November 2019** at the Macleay Island Community Hall, 32 High Central Road, Macleay Island, from 12:30pm until 4:30pm
- **Karragarra Island Open House - Saturday 23 November 2019** at the Sun Smart Foreshore Playground, 176-200 The Esplanade, Karragarra Island, from midday until 2:00pm
- **Lamb Island Open House - Sunday 24 November 2019** at the Lamb Island Community Hall, 140/142 Lucas Drive, Lamb Island, from 10:00am until midday
